

## W.S. and L.B. Robinson Scholarship UGCE1051

---

### Closing Date

30 September 2009  
*For commencement Semester 1 2010*

### Value

\$6500 - Tax Exempt  
1 Scholarship(s) available  
For up to 4 years

### Residency

Australian Citizen/Permanent Resident

### Outline

The Scholarship is established to encourage students who have completed their schooling in Broken Hill or have parents who reside in Broken Hill, to undertake study in a course related to the mining industry at UNSW.

### Selection

Applicants must be Australian citizens or permanent residents and be proposing to undertake full-time study in a course related to the mining industry, for example, courses in Mining Engineering, Geology, Electrical and Mechanical Engineering, Environmental Engineering, Chemical Engineering or Science.

The applicant must have completed their schooling in Broken Hill or have parents who reside in Broken Hill.

Each applicant will be assessed on the basis of academic merit and reasons for the proposed course of study. Consideration may also be given to personal qualities such as demonstrated ability and leadership qualities, and his or her potential to contribute to the wider life of the University.
