5-year integrated Bachelor of Engineering Master of Engineering (BE ME) in Electrical Engineering with MINOR

UAC Code: 425013 Program Code: 3731

CRICOS Course Code: 074733F

Never Stand Still

Faculty of Engineering

School of Electrical Engineering and Telecommunications

Recommended First Year Courses

Session 1	Session 2
MATH1131 (Mathematics 1A)	MATH1231 (Mathematics 1B)
PHYS1131 (Higher Physics 1A)	PHYS1231 (Higher Physics 1B)
*ELEC1112 (Electrical Circuits)	ENGG1000 (Intro to Eng Design & Innovation)
^ELEC2141 (Digital Circuit Design)	COMP1917 (Computing 1)

* Students will be required to take ELEC1112, NOT ELEC1111

^ Note that enrolment in ELEC2141 is recommended in 2012 despite having a pre-requisite of ELEC1111. This pre-requisite will block self-enrolment by new students. To enrol in this course, please contact the EET School office at eet@unsw.edu.au, who will be able to assist in the enrolment process. For all other program advice regarding the BE ME, please contact the EET School office, or the Director of Academic Studies, Dr Ray Eaton, at r.eaton@unsw.edu.au
